Message from Secretary Ross, Cdfa

We can take pride in the fact that California fairs are world leaders in providing educational and competitive exhibits that showcase local communities and their talents, as well as providing a venue for all cultures and lifestyles to promote diversity within the community. California fairs encourage their communities to learn more about the bounty of California agriculture. They foster the reconnection of consumers to the land and to the people who produce their food.

Fairs are a tradition for families and communities to come together to create lasting memories. However, our fairgrounds are much more than just a place to celebrate. We cannot overlook the events that take place at our fairgrounds throughout the year; from crab feeds to weddings and, as needed during emergency situations, fire camps and evacuation centers.

As we look ahead to the year 2020, I would like to express my appreciation for all fairground's staff, volunteers, and others who share a commitment to serve their local communities. Thank you all very much. Your support of California fairgrounds is invaluable.

Yours truly,

Karen Ross

FAQ's:

1. **Can I still do add-ons?**
 - a. Yes, you can do add-ons through your account on stockshowacutions.com OR directly through the fair. The traditional add-on form will be made available online for buyers to fill out and mail, email or drop off at the fair livestock office. All add-ons **must be** completed and received by stockshowauctions.com or in the Fair Office, **no later than Monday September 28th at 5:00pm.**
2. **I buy for multiple people and in the past have purchased under multiple buyer numbers. Can I still do that through my account on stockshowauctions.com?**
 - a. Each account on stockshowauctions.com requires a different email address. If you have bought with multiple numbers in the past and don't want to hassle with multiple accounts on stockshowauctions.com, you can create one account for the Virtual Livestock Sale. Then, after the close of the sale please contact the livestock office at (831) 628-3421 or dara@sanbenitocountyfair.com and we will break out your purchases before we bill. For any changes we need to make, contact us before October 7th so the information on your bill is correct.
3. **Will I be buying by the lot or by the pound?**
 - a. All animals will be sold by the lot.
4. **How do I get a credit on my bill for buying resale?**
 - a. All animals will be weighed on Sunday September 27th or Tuesday September 29th. These weights will be used to calculate your resale credit.
5. **How do I pay for my purchases?**
 - a. In order to get accurate bills pertaining to who purchased what lot and proper resale credit, we will mail out all statements on or before Friday October 9th. When you receive your bill, you will be able to mail in your payment or call the fair office with a credit card for payment.

6. Can my bill be emailed to me?

- a. If you would like your bill emailed, as well as being mailed please let the livestock office know at dara@sanbenitocountyfair.com or 831-628-3421

7. Can I still purchase an animal and take the meat for my freezer?

- a. Yes, you can still choose a “process” option and the meat will be processed, cut and wrapped at Freedom Meat Locker. Contact them for cut and wrap instructions.

8. How do I know what exhibitors are selling?

- a. On stockshowauctions.com, there will be a sale catalog posted: Junior Livestock Auction. These catalogs will look like they have in the past.

9. How do I find who I want to purchase?

- a. Within the Virtual Livestock Sale platform there are quite a few search options. Buyers are able to search by exhibitor name, club/chapter, low to high bid, etc.

10. What if I need help?

- a. The livestock office staff will be in the office from 8AM to 5 PM on Thursday, September 24th through Saturday, September 26th. You can call, email, or come to the office for assistance. We are committed to help everyone that needs assistance during this new virtual sale.

11. What if I want to place a “max bid”?

- a. You can place a “max bid” on what you are willing to bid up to and if someone is bidding against you, the platform will up your bid, if needed, only up to the max amount you specified. Then it will notify you that you have been outbid in case you want to elevate that max bid amount, but it will not do that automatically.

12. Who will be billing me?

- a. The San Benito County Fair will bill all buyers with the same billing system we have used in the past.

13. Do I need a credit card to create a buyer account on stockshowauctions.com?

- a. No, a credit card is not required.

Dear Market Livestock Award Donors,

We are reaching out to you with another unprecedented change in our traditional Fair experience. Our market livestock show is scheduled to be an online experience this year and we will not have any breeding or feeder shows. We have begun working with Walton Webcasting to set up a platform for our exhibitors to upload video of them, in uniform, showing their animals. This will give them an opportunity to have a judge evaluate their entry and place it in a format that will eventually identify the Grand Champion and Reserve Grand Champion. The animals will be weighed at the Fairgrounds before trucking to the processor. Those weights will be forwarded to Walton and they will break classes so the animals will be competing with similar size animals, as in a live show. We do not know the dates the shows will be webcast yet, but, as soon as we do, we will post them and provide links to the show on our social media pages and our website. This process will also include an online Market Auction hosted by Stock Show Auctions. The exhibitors will upload a photo of their project animal and the Auction will be open for bidding and add ons for several days. Buyers will be allowed to make a custom purchase and have it processed for pick up at Freedom Meat Locker.

We know this is not the way any of us want to see our Fair happen, and we know that this process is causing disappointment for many exhibitors and their families. We are disappointed too. We are working hard on many fronts to move up hill on sliding sand. We are looking at over 70% revenue losses on the grounds this year and restrictions for any events we may be able to have are so difficult to overcome with our small staff we are having to cut back more extremely than we ever imagined we would. We also know that many of you and your businesses are in a similar struggle to keep your businesses open.

On a positive note, we have had requests from community members to donate to our Livestock awards. In an attempt to make that available, we are opening our Fair awards program with a slightly different look this year. If you are interested in donating to awards for the Market Livestock show exhibitors, your donation of any amount will go into a pool with all other donations. When we reach the final date to accept donations, August 14th, we will know the amount we have to spend to purchase awards. To minimize production and mailing expense we are attempting to reach you all by email and social media posting. If we have to mail letters or documents we will reimburse that cost from the donations before determining the final amount to spend on awards. Our awards committee will then research awards that are fun and still fit in the budget. We do not guarantee buckles or any specific awards. We will not be able to take a donation for any one award. All award donations will be part of the pool and will be spent entirely on the awards program expenses; postage, purchasing items and shipping.

Thank you for your continued support of the San Benito County Fair and Fairgrounds and our youth exhibitors. Please share this letter with any other interested donors, and contact us if you have any questions; 831-628-3421 or dara@sanbenitocountyfair.com. Return the bottom portion with your donation and check or call the office to make a credit card payment.
