California Fairs State Rules

Please read the latest copy of the California State Rules at the San Benito County Fair website:

<http://www.sanbenitocountyfair.com/docs/2020-State-Rules.pdf>

Local Rules and Regulations

1. Exhibitors are expected to familiarize themselves with these rules and to abide by them. All departments in the 2021 San Benito County Fair are open to residents and producers of the 33rd District Agricultural Association (San Benito County). In case of non-residents, producers means bona fide property owners in San Benito County during 2021, the status of which will be determined by the management of the Association through inspection of the county tax records. Also, producers must regularly grow or raise the produce exhibited in San Benito County; if not, their land must be part of that owned or operated in San Benito County. All decisions will be final. Some departments have opened their entries to a wider area. Please check each department to see if other counties are eligible.

2. **CLOSING DATE FOR ENTRIES:** Paper entries in ALL departments must be in our office no later than 6:00 p.m. Sep 9, 2021. Postmarks will be accepted. No metered mail accepted. Make all checks payable to the 33rd District Agricultural Association (33rd DAA) **A \$20 fee will be charged on any returned check. NO refunds will be made.** On-line entries accepted until midnight Sep 9, 2021.

3. **JUDGING OF EXHIBITS:** Will occur between Fri, Sep 24 and Sun, Oct 3, 2021. See judging schedule on page 5 and in individual departments. American System of Judging: each work judged in competition with other entries in its class unless otherwise stated. Danish System of Judging: based upon established standards of quality for each type of product; each exhibit is judged according to how well it meets that standard rather than how it compares with other exhibits.

4. **DAMAGE TO STOCK:** The Board of Directors will use every precaution in their power for the safe preservation of all articles and stock on exhibition, but will not be accountable for loss or damage, whatever may be the cause or the extent of damage done. Exhibitors must give attention to their articles or animals during the Fair and at the close of the exhibition.

5. **PAYMENT OF PREMIUMS:** Checks will be issued for premiums as soon as possible after the close of the Fair.

6. **UNDELIVERED PREMIUMS FORFEITED:** All premiums awarded by the Association will be mailed to the address given on entry form. Undeliverable premiums will be forfeited to the State of California.

7. **UNCLAIMED AWARDS:** After 30 days, any unclaimed exhibits or awards become the property of the 33rd District Agricultural Association and may be disposed of.

8. **REJECTION OF EXHIBITS:** The Association reserves the right to reject any exhibit improperly entered, or when the ownership is in doubt, or **if required entry fees are lacking**, or if not properly conditioned for the show.

9. **REMOVAL OF EXHIBIT:** No exhibit will be removed before the date and time stated in the rules for each department as provided in State Rule II-14 and Auction Sales Rules. (Early removal will result in forfeiting any premiums due to the exhibitor. This rule will be rigidly enforced.) **Due to the possibility of loss, ribbons may not be placed on display.** Ribbons and premium checks will be available in the department when you pick up your exhibits.

10. **NO DOGS**, except ADA Authorized Service Dogs are allowed on the fairgrounds. No exceptions.

11. **CAMPING:** Will be in the upper picnic area. Minors must be accompanied by parent/guardian. No underage drinking allowed. Proof of insurance registration presented with reservation. See Page 1.

12. **FINAL CLOSING:** The Fair will close Exhibits to visitors at 6:00 P.M. ON SUN, Oct 3, 2021.

13. **SAN BENITO COUNTY 4-H PARTICIPATION REQUIREMENTS:** Membership in the University of California San Benito County 4-H Program is open to all children in Kindergarten through 19 years of age without regard to race, religion, sex or physical handicap who reside within San Benito County school district boundaries and/or are legally in attendance at a San Benito County school. Youth residing in a county other than San Benito must have the approval of the 4-H Youth Development Advisor from their home county and the San Benito County 4-H Youth Development Advisor and the community club leader of the club he/she seeks to join. Families enrolled in a San Benito 4-H club prior to this policy being implemented, will be allowed to continue participating in the program as long as they have the approval of the 4-H Youth Development of both counties annually. SBCF recognizes all 4-H enrollment requirements.

14. **FRAUDULENT ENTRIES:** If after the judges have made their awards, the Association finds that an exhibitor has improperly and falsely entered any exhibit, said exhibitor will forfeit all rights to all premiums that may have been awarded him/her in all departments of the Fair.

15. **CANCELLED ENTRIES:** Exhibitors canceling their entries in Livestock or Horse Show for any reason after the official date for the closing of the entries, excepting written verification by a qualified veterinarian, shall forfeit their entry fees. Veterinary certificates must state the date of inspection and the nature of disqualification and must be filed in the Fairgrounds office at least 24 hours prior to the start of the Fair. This rule will be rigidly enforced.

16. **Leader/Advisor Signature Procedure:** Due to the online entry program our process to obtain 4-H leader and FFA advisor signatures is as follows: after entry closing date a list of all online entries (livestock and non-livestock) for each club and chapter will be emailed to the 4-H Community Leader/FFA Advisor/Grange Leader. There will be an email for each leader/advisor asking to certify that all entries are valid projects and eligible to exhibit at the 2021 fair. This signed sheet **MUST** be emailed, faxed or postmarked by Sept 2, 2021 (no metered mail).

17. **STILL EXHIBIT RULE:**

Major Photoshop work including special Photoshop filters only in Photo Art Class. For example: a filter or special effect that transforms a photo to look like a watercolor painting should only be entered in the photo art class (class 5). Note about Photo Sizes: This year feel free to enter photos that are wider than the standard. Store bought mats tend to be 8x10, 11x14, etc. Why not experiment with a wider or narrower photo and mat based on your artistic intuition. Look at the size constraints in your division. Matting using a windowed mat. Windowed mats can be purchased at Aaron Brothers, Michaels and online. Typically, an 11x14 inch size mat will have a window for an 8x10 photo, and a 16x20 inch mat will have a window for an 11x14 inch photo.

1. Position the photo face up behind the window part of the mat.
2. Once you settle on how the photo looks through the window, tape the photo to the back of the window part of the mat.
3. Now use double-sided tape to adhere the window part to the back part of the mat or leave the back of the mat back off.
4. Be sure to label your photo on the upper left corner when facing the back of the mat.

Matting with art-board or foam core. (more difficult to get right)

1. Cut the foam core to 11x14 inches or 16x20 inches depending on your division. Use a stiff plastic or metal straight edge (T-Square or metal ruler) and sharp hobby knife or similar on a nice flat cutting board instead of a paper cutter or scissors. Watch your fingers! Try to be as neat as possible. The border of mat can be 1 to two inches on all sides.
2. Position the photo on the cut foam core or art-board, making sure that it is in the center of the board both top to bottom and left to right. Mark the edges of the photo on the foam core lightly with a lightly penciled rectangle or dots at the 4 corners of the photo.
3. Place the photo on a scrap of cardboard face down and spray the back of the photo with spray glue. You could use Elmer's non-wrinkle rubber cement/or double-sided tape. There are two types of spray glue (permanent and repositionable). If permanent, you only need to spray the back of the photo. If repositionable, spray the foam core or art board as well. To do this lightly tape paper to four sides of the foam core creating a masked window to spray the glue right where the photo will be placed. Exact alignment is important.
4. Place the photo carefully on the art board starting at one edge. Wax paper can also be used to help position the photo; then can be pulled away to allow the photo to adhere to the mat.
5. Carefully erase any pencil marks.
6. Be sure to label your photo on the upper left corner of the back.

Concerns about hanging

Velcro or special hanging hooks do not need to be attached to the back when matted. Photos on aluminum or canvas should have a method for hanging suitable for the size and weight of the photo.

Special Instructions:

Photo Art: Tape an envelope to back of photo containing 3x5s or 4x6s of original photo or photos you used before it was altered. The photos will be displayed beside the photo art piece.

Panorama Photos: Try to maintain a photo height of 6 inches or more; width can vary. Mount on art board or foam core.

Humorous: Attach 3x5 card with an optional humorous caption.

Flashback: Two photos same size side by side (early photo on left, current photo on right) or a composite of both side by side.

Movie/Video: Needs a title screen that gives the title, author, actor's names, etc. No more than two minutes in length; Mp4 Codec H264 preferred. If you don't know about formats send them anyway. Email videos to or put the video on an SD or USB stick, place in an envelope that is clearly labeled with your name, address, phone, email, division and class. Must be received on or before the receiving dates. No late entries.

Drone/aerial photography: Minimum size 8"x10". Maximum size 20" on longest side

Rabbit RDH Protocol

***The SBCF will be following the guidelines put forth by the ARBA regarding any RHD outbreaks. If by chance there is an outbreak that effects the ability to have a show and it is cancelled, all entries will be refunded. The guidelines are subject to change as ARBA sees fit and could possibly change after the publication of the 2021 guidebook. We will be following any guidelines in place as of the date of the fair. We will make any and all attempts to notify exhibitors of any changes.**

- **As of 05/18/21 the guidelines are as follows:**
- Any ARBA sanction held by a club within *125 miles of an active domestic rabbit, or 30 miles of an active wild/feral, RHD outbreak, will be cancelled, and the club provided the opportunity to reschedule the date / location for a future ARBA sanctioned show. Clubs forced to reschedule shows due to enforcement of the ARBA RHD policy will be provided every opportunity to reschedule their sanctioned show without adhering to the 30-days deadline.
 - Exhibitors, judges, registrars, transporters, and vendors residing in or traveling by motor vehicle through an area of the country that is part of an active RHD outbreak are discouraged from attending ARBA sanctioned shows in other areas or having contact with other rabbit breeders for 60 days of the last RHD confirmed positive case. Clubs are encouraged to acknowledge the potential need to cancel contracts due to RHD concerns when soliciting contractors to officiate or vend at ARBA sanctioned shows.
 - *SBCF will sanitize all show equipment prior to the show.

Dept. 80 - Round Robin

Chair: Joe Martin, Hollister FFA

Rules and Regulations:

1. Showmanship class winners of 4-H Intermediate, 4-H Senior and FFA Advanced Showmanship in each livestock division (Market Goats, Dairy Goats, Sheep, Swine, Beef, Dairy Cattle, Horses, Rabbits & Poultry) have the opportunity to show in the Round Robin Class in which they won.

2. Exhibitors, who should win more than one species of Showmanship, must designate the species they will represent during Round Robin **no later than Friday night at 5pm in the Fair entry office**. They will need to notify the species Chair at that time. The second-place winner of a class NOT CHOSEN BY THE WINNER will then be eligible to compete. If the second-place winner chooses not to show, we will contact the following placings in order until a designated delegate for that species is secured to ensure a full class for Round Robin.

3. If an exhibitor wins both Intermediate and Advanced Showmanship for the same species, they have the option to pick which Round Robin class to participate in. The next placed exhibitor in the class not chosen will have the opportunity to participate until the delegate for the class is secured.

4. Animals to be shown for Round Robin will be chosen by the species Chair.

5. Exhibitors will be assigned numbers for animals to be shown.

6. If a defect or injury is found by exhibitor on animal it must be mentioned to judge or Chair.

7. Species shown will be Market Goats, Dairy Goats, Sheep, Swine, Beef & Dairy Cattle. No Horses, Rabbits or Poultry will be shown in the Round Robin competition; however, the winners of those species are still eligible to compete. **If there are not enough animals of a species to complete a round, then that species will be eliminated from the Round Robin competition. The showmanship winner of that species is still eligible to compete in Round Robin.**

8. If an exhibitor chooses not to show a species for any reason, that person can sit out of the class and receive the highest score relative to the number of exhibitors in the class. For example, nine exhibitors = 9 score for that species not shown.

9. Judge's decision will be final.

10. It will be at the Judges' discretion to have an animal removed if they deem necessary for any reason.

11. In the event of a tie score, the exhibitor who won the most classes for the species shown will be placed first for the competition.
